

**CITY OF GARDEN GROVE
MEMBER OF THE CITY COUNCIL**

STEVE RAGANOLD

AGE: 50

OCCUPATION: Fire Captain

I am asking you to vote for me for Garden Grove City Council. It is time for a positive change. Some recent developments in our city have benefited all; many have helped only a few. It is time to preserve our core values while looking to the future.

I am not beholding to any special interests, except my wife, a registered nurse and my 13 year old daughter, a student at our local public school.

I have not, and will not accept any money from any developer, nor am I running under any one political party's affiliation. I will work for you.

I believe it is time for campaign finance reform in our city. Limit outside influence and bring the process back to the residents. All should feel that their needs are properly addressed by City Hall.

I believe in smart growth and a strong business community.

I will fight for growth that maintains our community's quality of life and respects the needs of the existing residents, no matter what side of town they live in.

Garden Grove is a great place to live and work. Let us work together to keep it that way.
